

LEADERSHIP PREFERENCE FORM

TRFA members can receive far more than they invest when they take an active role in the association. Only TRFA members may serve as Committee Chairmen.

Non-Members of TRFA are allowed to participate in Market Focused Committees for a limited, 2-year period. After this period, membership in TRFA is required to continue committee participation

Current volunteer openings are listed below in each Market Focused Committee. Many of them require a modest investment of your time; all of them offer the opportunity to grow the marketplace and help shape the industry. Please mark those in which you would like to participate.
