

Jennifer Hawkins joined Tecnon Orbichem in 2004 following a career in newspaper journalism. Her experience in market monitoring has included covering the unsaturated polyester resins and styrene markets in Europe and North America. In September 2016, she participated in the launch of the successful Epoxy Resins & Co-Reactants Chemical Business Focus, of which she is now editor. This monthly publication covers the epoxy resins, its raw materials as well as the curing agents and reactive diluents markets. Since May 2017, Jennifer has also been reporting on the phenol, acetone, bisphenol A and epichlorohydrin markets in Europe and North America. In addition, she has been reporting on the polycarbonate market since August 2017.
